Why is it important to overcome Bitterness & Anger?

The word tells us that we must “forgive as He has forgiven us”, as with all scriptures, if we are not obeying it in our lives, we are out of fellowship with God.

Bitterness & anger are issues that attack us from the “inside out”, & do far more harm to us, than to the objects of our anger & bitterness.

Despite this, bitterness & anger are issues that most Christians struggle with, and it negatively affects their walk with Christ.

So how can this change?

We know that through Christ, all things are possible. This course can show you that as Christians, we already have the ability to forgive. Needing only to learn how to apply it, & stop living contrary to Gods word, in the bondage of bitterness.
